#### INITIAL RESOLUTION AUTHORIZING GENERAL OBLIGATION BONDS IN AN AMOUNT NOT TO EXCEED \$92,605,000

BE IT RESOLVED by the School Board of the Green Bay Area Public School District, Brown County, Wisconsin that there shall be issued pursuant to Chapter 67 of the Wisconsin Statutes, general obligation bonds in an amount not to exceed \$92,605,000 for the public purpose of paying the cost of a school facility improvement project consisting of: district-wide safety, security, building infrastructure and capital maintenance improvements; renovations and facility updates to secondary schools; construction of an addition at certain district buildings; district-wide athletic facility and site improvements; and acquisition of furnishings, fixtures and equipment.

#### **Ballot Text**

The question will appear on the ballot as follows:

"Shall the Green Bay Area Public School District, Brown County, Wisconsin be authorized to issue pursuant to Chapter 67 of the Wisconsin Statutes, general obligation bonds in an amount not to exceed \$92,605,000 for the public purpose of paying the cost of a school facility improvement project consisting of: district-wide safety, security, building infrastructure and capital maintenance improvements; renovations and facility updates to secondary schools; construction of an addition at certain district buildings; district-wide athletic facility and site improvements; and acquisition of furnishings, fixtures and equipment?"

#### **Explanation**

The referendum election ballot will ask District electors to vote "yes" or "no" on the referendum election question as set forth above.

A "yes" vote on the question is a vote to approve the borrowing of \$92,605,000 by the Green Bay Area Public School District through the issuance of general obligation bonds for the purpose

of paying the cost of a school facility improvement project consisting of: district-wide safety, security, building infrastructure and capital maintenance improvements; renovations and facility updates to secondary schools; construction of an addition at certain district buildings; district-wide athletic facility and site improvements; and acquisition of furnishings, fixtures and equipment.

A "no" vote on the question is a vote to deny the Green Bay Area Public School District the authority to borrow \$92,605,000 through the issuance of general obligation bonds for the purpose of paying the cost of a school facility improvement project consisting of: district-wide safety, security, building infrastructure and capital maintenance improvements; renovations and facility updates to secondary schools; construction of an addition at certain district buildings; district-wide athletic facility and site improvements; and acquisition of furnishings, fixtures and equipment.

In the event a majority of the electors voting on the question vote "yes", the District will be authorized to undertake the school facility improvement program described in the question and borrow not in excess of \$92,605,000 therefor; if a majority vote "no" on the question set forth above, the District will not be so authorized.

An election official may inform the elector of the proper manner for casting a vote but the official may not advise or indicate a particular voting choice.
